January 17, 2019

To: JBO Districts, Associations, and Community,

The Junior Baseball Organization (JBO) Board, today voted to replace the name of Midgets to Minors. The move is effective immediately, and we are in the process of updating the name change for the current season.

Times change and names matter. What was suitable seventy-one years ago, is unsuitable today. The name Midgets enjoy no enduring loyalty from players or fans. The name change does not affect the rules or regulations of JBO baseball; it strictly replaces the word Midgets to Minors.

JBO will emerge stronger and more inclusive as we continue to be proactive for the future of youth baseball by demonstrating empathy and respect.

Sincerely,

Phil Gendhar

JBO President
